KATALOG 2023

INTERNAL SSD
2.5" SATA III
Ultra Speed

FM24SS130B/00

Philips
Internal SSD 2.5" SATA III
Ultra Speed – 240GB

Philips internal Solid State Drives speed up the performance of your computer. They improve system response times and enable faster application start-up and load times. With reading speeds up to 550MB/s, Philips Ultra SSD's are the perfect solution for fast storage, exchange of files and demanding applications such as 4K UHD video editing and high-end gaming.

Philips SSD's are based on flash memory and contain no moving parts, making them less shock sensitive, soundless and energy efficient. The online available manual describes the installation process step by step enabling you to quickly experience the benefits of this SSD.

Supports dynamic power management and SMART (Self-Monitoring Analysis and Reporting Technology), NCQ, Trim.

Specifications

- Storage capacity : 240GB
- Max. speed : Read: 550MB/s
  : Write: 480MB/s
- Connectivity : 2.5" SATA III
- SSD-type : 3D TLC NAND
- Dimensions : 100.0 x 70.0 x 7.0mm
- Weight : 0.0382kg
- MTBF : 1.000.000 hours
- Compatibility : Suitable for use in desktops and notebooks that support 2.5" SATA. Developed for use with Windows, Mac and Linux.
- Warranty : 2 years
- EAN : 8720039511132

Specifications

* Storage capacity   : 480GB
* Max. speed   : Read: 550MB/s
                       : Write: 480MB/s
* Connectivity   : 2.5" SATA III
* SSD-type   : 3D TLC NAND
* Dimensions   : 100.0 x 70.0 x 7.0mm
* Weight   : 0.0382kg
* MTBF   : 1.000.000 hours
* Compatibility   : Suitable for use in desktops and notebooks that support 2.5" SATA. Developed for use with Windows, Mac and Linux.
* Warranty   : 2 years
* EAN   : 8720039511170

Philips

Internal SSD 2.5" SATA III
Ultra Speed – 960GB

Philips internal Solid State Drives speed up the performance of your computer. They improve system response times and enable faster application start-up and load times. With reading speeds up to 550MB/s, Philips Ultra SSD's are the perfect solution for fast storage, exchange of files and demanding applications such as 4K UHD video editing and high-end gaming.

Philips SSD's are based on flash memory and contain no moving parts, making them less shock sensitive, soundless and energy efficient. The online available manual describes the installation process step by step enabling you to quickly experience the benefits of this SSD.

Supports dynamic power management and SMART (Self-Monitoring Analysis and Reporting Technology), NCQ, Trim.

Specifications

- Storage capacity   : 960GB
- Max. speed   : Read: 550MB/s
                       : Write: 480MB/s
- Connectivity   : 2.5" SATA III
- SSD-type   : 3D TLC NAND
- Dimensions   : 100.0 x 70.0 x 7.0mm
- Weight   : 0.0382kg
- MTBF   : 1.000.000 hours
- Compatibility   : Suitable for use in desktops and notebooks that support 2.5" SATA. Developed for use with Windows, Mac and Linux.
- Warranty   : 2 years
- EAN   : 8720039511217

INTERNAL SSD
M.2 SATA

FM48SM110B/00

Philips
Internal SSD M.2 – 480GB

When your PC or notebook is slowing down but there is not enough space available for installing a large sized SSD or if there is no available SATA cable left on the motherboard, this Philips internal M.2 SSD is the right solution to revive your computer instead of replacing it.

Philips internal Solid State Drives speed up your computer. They improve system responsiveness and support fast boot ups and application loading times. The drives are based on flash memory and contain no moving parts, making them less shock-sensitive, energy-efficient and silent.

The maximum read speed of the Philips Internal M.2 SSD is 550MB/s, the perfect solution for demanding applications such as 4K UHD video editing and high-end gaming.

Supports dynamic power management and SMART (Self-Monitoring Analysis and Reporting Technology), NCQ, Trim.

Specifications

- Storage capacity: 480GB
- Max. speed: Reed: 550MB/s
                          Write: 500MB/s
- Interface: M.2 SATA
- SSD-type: M.2 type 2280 (dimensions)
- Key-type: B & M
- MTBF: 1500000 hours
- Compatibility: suitable for use in desktops and notebooks that support M.2
- System requirements: Windows 7 and higher
                          Mac OS 9.0* and higher
                          Linux 2.4.0 and higher
- Warranty: 2 years
- EAN: 8720039511392

* For use with Mac it requires an adapter (not included)
